

Prophecy – Phoenix, Durban

10 July 2008

The Word of the Lord would say,
“I’m bringing into your life this brand new way,
as you understand my Mercy Seat.
You will know it is because of the blood
and then I will pour out the rain which will bring about the flood.
And you will come to know
which way the spirit will flow,
and you will never be opposed by anything,
because new things into your presence I will bring.
It will be floods of water
flowing through every son and every daughter.
And people will look around,
many will be astound,
and they will say ‘How can this be?
These things with our eyes we now see.
It is like the glory is taking over in this place,’
but everybody will raise their hands and say:
‘It’s by mercy and it’s by grace’.
For works of the law will just have to go,
because it’s by the Spirit that you must flow.
So understand in these days
I’m bringing you into My ways.
Ways of fountains bubbling up;
It’s greater rivers, greater than just filling your cup.
It’ll be the overflow,
so that you can your inheritance know.
And as you know, you will also grow
and the more you grow, the more you’ll know
the power of this river, which will flow.
So understand -
as the disciples prayed I will now stretch out My hand.
Signs, wonders and miracles will truly be,
the sick will be healed, the dead will be raised - you shall see.
Newspapers will come, and they will write the story,
because people will shout My glory.
There will be praises, and there will be worship
in many places in this land,
and people will know that these people in My presence, that’s where they stand.
The way into the Holy Place is opened up forever, for each and every one.
2000 years ago on the cross, this new thing has already begun.

Now the promise is for everyone that believes,
you must just open your heart and by faith receive.
So you will speak and the Words will come from your mouth
and you will see this river flow from the north to the south.
From the rising of the sun to the going down of the same,
you will understand the power, this is no childish game.
So be ready for the flood to come -
it'll fall for such power, for all and not for some.
So as you open your hearts doors wide,
here comes the Comforter, standing right by your side.
I call him the Helper, I call him the Comforter.
I say it's the promise coming from the Father
and when he comes, you will know there is no other.
This is the same that made me the Christ years before,
understand I'm opening heaven, here comes more and more and more.
