

Prophecy

22 March 2008

Stretch your wings eagles of God
Stretch your wings as the wind of the Spirit is going to raise you higher and higher
Till your light shines brighter and brighter
Till you are filled with His power
Even tonight in this very hour
Let the revival come and take control
Let the Spirit come in spirit, body and soul
Let it take control of you and make you whole
May the living God empower you from on high
Understand that God's Word is Truth, there is no lie
Let all know that God is the Father of Life and the Father of Truth
And in this night
God says "I will clothe you with My power, I will lift you up with My might"
So stretch out your wings, eagles of God
Rise on the wind of the Spirit, in this time and in this hour
God is about to fill you and clothe you with Holy Ghost power
