

Prophecy B - Bath of Bethesda

29 March 2008

You can walk through this water
My promises are for you, every one of my sons and daughters
There's going to be Glory at the pool
Be wise, don't be a fool
Come and get your power
It's for you - this minute, this hour
God says "See My hand
I'm going to touch you all over the land
You're going to understand
You're not part of the seed of the Sand
But you are part of My Stars of Heaven
You are part of the raising, rising glorious cloud that will shine
I told you before that I've bought you, you are Mine
Now understand
That in this pool you will feel my Hand
But upon your life I'm going to shine My face
And you will know like Moses I will talk to you face to face
It will be such a '*suddenly*'
And when I touch you, you will understand the power of true liberty
Because if you know the Truth, it will set you free
And you will know this pool is not an idea of man, it is coming from Me
So come and walk through the water,
You that are called son and you that are called daughter
Understand that my promises are breaking through for YOU
And it will be much greater than what you can think or do
'Eye hath not seen, ear hath not heard, neither has it come up in the heart of man,
The things that God will do for everyone that in His presence will stand.'
So come and walk through the water
Take your promises
In this night, breaking through suddenly strange power
Is yours My son, it's yours My daughter
Hear My voice, it's upon the water."
