

Prophecy

5 November 2008

For as long as it is 2008,
you may feel fenced in, but I will break open every gate.
I promised the crooked will be made straight.
Many people with expectancy did wait and wait and wait.
I am God, I Am, I am never late.
Breakthrough for you, you will know and you will understand.
You are the stars of heaven, you're not part of the group called sand.
My promises unto you will truly be fulfilled and it will not delay.
Though it seemed like "O Lord, but why is it so far away?
It seems like in another place it just stays and stays and stays!"
God says "Look up, look up, look up! It's drawing near.
And for you, My child, I have not given you a spirit of fear.
So by hope and by faith, open your mouth and let My Word roll out
and you will see what will happen. Time, it's about!
You will still look around and try to find out where it's coming from
and then you will see the sun has been rising for you.
It's a new day where God's promises are all coming your way.
So as long as it's 2008,
you may feel fenced in, but I will break open every gate.

Amen!
