

Prophecy

22 October 2008

There is a peace that passes all understanding,
that in each and every life I want to bring.
And in these praises and worship that you do sing and sing and sing,
you will understand that this peace I can truly bring
into your life, and into your heart;
don't wait for some other day for this thing to start!
No, just jump into the flow,
and understand that this peace will let you know
that I am the God that will never leave you alone.
Come on, I've taken out of you the heart of stone;
I've given you a heart of flesh.
Do you not know it in this night?
Do you not understand that I've put you on that city, mountain, and you are My light?
Know in this day, in this day of glory and power,
that the waters running from you are sweet, I've changed them from being sour.
So you will be this fountain of life springing up
and I will do more than just filling your cup -
I will let you be that tree planted by the waters!
Come on, come on! Be ready my sons, be ready my daughters!
The glory is flowing in this very day,
so by this river you will stay.
You will not be removed like in days before;
No, no, no - I'm pumping this river with My glory like never before.
So there's rain that is pouring from above,
and you will understand that you're burning with the fire of My love.
Just jump in and be part of what I'm doing today!
Open your ears, hear what the Spirit has to say.
Grace is abounding, and mercy too;
This is for everyone, even for you.
Amen!
