

Prophecy

19 FEBRUARY 2009 B

Anyone that has an ear can truly hear
And if you are tuned in you can find out - this thing is so very near
It's not far, but it is now clear
That abundant life is to break through for you
Then you will understand the true words of Jesus
The greater works are very easy for you to do
Because the Spirit in you is the Spirit of Life
Not the spirit of jealousy, envy and strife
Just get into the Book and start to meditate
And you will understand – God is on time, He is never late
And with your eyes you shall see
That this glory for you is coming truly from me
And when you are clothed upon from on high
You will understand the knowledge of the truth
And there will be no more lie
Walking in this truth will set more and more people free
Right from the glory that's coming from My face
And then you will understand -
You're out of the Law
Receive more and more grace!
