

# Prophecy

02 OCTOBER 2009 B

---

It'll all be together like a new day breaking  
Like the sun shining for the first time  
And the birds are for the first time making music in your ear  
For the first time, it will be like that  
Because you will hear things that you've never heard before  
See things that you haven't seen before  
Because the breaking through is here for you  
And you will see the Light  
And you will experience the power thereof  
You will feel the heat of the sunlight rays of My glory shining upon you  
Bringing about My blessings  
And the rainbow will be there to say *The showers have come!*  
The lightnings will be there to usher them in  
And you will understand - I'm taking you by the hand  
To lead you in My presence where you will stand  
And speak from the place called There  
And know it's anywhere  
For the time has come and it is now  
For you in prayer just to bow  
And call upon My name  
And realise that situations will not be the same  
Change will come as from today  
Problems and demons and devils will just be put to flight  
Because they will see the light shining forth from you  
As you stand up and do what you're supposed to do  
And that is to call upon My name  
And know situations will change, they will not be the same  
Glory is Yours, My child, in this day  
So receive My glory and receive My light  
Arise and shine for your light has come  
And the glory of the Lord has risen upon you, Zion, City of God  
This is the time to know that you are that City set on a hill  
From now on you've got to speak in My presence, you can't be still  
For you will know the promises in My presence you must call  
And then you will feel the showers as they fall
