

PROPHECY

07 May 2010

Angels ascending and descending upon the Son of Man
I will cause you with them in My presence to stand
No more dwelling in the outer court
That's already been sorted out
It's now time to come right in to the holy place
You've learned about My mercy and you do understand My grace
It's no more wondering round and about
I've already laid you out
Out of slavery and out of sin
Don't wait for something new to begin
It's already started long ago
They call it the old rugged cross
I've taken you out of all the evil, all the sin and all the dross
I've lifted you up and I've placed you right here with me on My Throne
I've put My Spirit in you, to call Me Father, you are My own
So don't think yourself an orphan anymore
Look up to heaven, and if you think that's not enough
I've got a great, powerful store
Glory and presence I'm ready to send
For years ago, that thick veil was already rent
So you don't have to pay a price
You can only realise – on the inside of you, you are rising to the fullness, the stature
Nothing less than Christ's own size
Don't minimize what I'm doing on the inside of you
My Spirit is flowing, flowing, flowing in and through you
Power is about to be seen all around
And people will understand –
Where sin did abound, grace will much more abound
It's not by might or by power
It's not by sinful flesh
This thing that I'm doing is My anointing
It's new, it's always fresh
I am lifting you up in this very hour
Don't think you can pray and pray and not break through in the power
My ear is not deaf, it's a hearing ear
If you will just listen, the sound of this new thing is so very near
Every single one standing here is on the verge of their own breakthrough
And greater things than ever you will not only see, but you will also do
Angels ascending and descending upon the Son of Man

Child of God, realise –
Anywhere you are, in the presence of God you do stand
It's by the blood that entrance has been made for you
It's time to realise – God is living on the inside of you
It's no more I, as the Bible says
But it's Christ in you
Power and mercy and grace – let it flow through you
Open your mouth, speak the Word out loud
It's time for you to get the others out
