

PROPHECY

10 October 2010

Has somebody told you
And do you not know
That this is the time of the overflow
No more financial shortage
No more debt-full bondage
But I will set your finances free
That you can enjoy the glory that's coming from Me
You will understand the supernatural supply
And when you look at your finances
You will feel like a stander-by
Because you will say, *'Can this be true?'*
Don't ask who did it
Don't say, *'Who?'*
God says, I will pour it out in ways that you've never known
And financially
As by the Spirit you will just grow
You will experience My hand coming in to the balance
And bringing your finances into the side that is called The Overflow
It's time for somebody to realise and to know, says God
That My name is really more than enough
I want you to take out of the times that you call tough
And I want you to be in a place that'll be so easy for you
That the things that you've always desired
Now you will be able to do
For you don't have to go and make debt anymore
It's not only the windows of heaven
I'm just giving you everything that I have in store
For the silver is Mine
And the gold is Mine, sayeth the Lord of Hosts
And now in your finances, I'm bringing the power of the Holy Ghost
Has somebody not told you
And do you not know
That this is the time for the overflow
