Come

There is a place right here by Me  
Where into the invisible you will be able to see  
I will take you so much higher  
Where you will understand  
For you, I am the Fighter  
So you can just stand and see My salvation  
Because you are part of My new creation  
It's time to realise that there is so much more in store  
So realise and rise up and say, *'God, then I want the 'more''*  
For indeed, I'm much more ready to pour it out on each and every one in this day  
But you've got to have it in your heart and then in your mouth and then you've got to say  
Say what the Lord wants you to say  
And don't just go any other way  
For there is a stature of the fullness of Christ's own size  
And this is the fact that in your heart you must realise  
That I'm bringing you up as a true son  
Where you can understand, all your battles are already won  
So don't argue and don't fight  
For every demon power has already been put to flight  
It happened that day on the cross  
Where I've lifted you out of the mire and out of the dross  
So come stand right here by Me  
So that in the invisible you will be able to see  
Clothed in glory  
This is an amazing story  
Where you will see Me truly, face to face  
And then you will understand why you sang through the ages - it's amazing grace!  
Not by human efforts but by mercy  
That's how you will see  
It's all coming from Me  
It didn't come from your side  
The only thing you have to do is open your heart's door wide  
And the Holy Spirit will come right by your side  
On the inside of you is the Living One  
Rise up, I call you My son  
Hallelujah!
