

Prophecy for 2011

01 January 2011

What would be the word for 2011?
Many will somewhere mention the word Heaven
But what is this thing coming from above?
It's nothing short of God's life and love
Years ago it came down in the form of a dove
And settled on a man of grace and love
So hear now what the love-dove will do through you
He will fill you with life and love through and through
This is spoken of in Romans 5:5
God is making this love come alive
The love is the bond of perfection
And you will then bear the fruit that needs no correction
For against love there is no law
That is why you will be perfect without any flaw
It's the fruit that the Spirit will bear
And you will wear the coat that cannot tear
It is called the best and excellent way
Keeping you where you will never stray
Struggles you've had until now,
In the presence of perfection, will have to bow
Acknowledging that you are God's property
So there can and must only be liberty
This is truly freedom from all the care
And of peace and prosperity you will become aware
So in 2010 you were brought to "No more where and when"
But in 2011 you will see God do it again
What only seemed to happen in history
Will now also be yours to be
So relax every child of the God Most High
For on wings of eagles you will fly
Driven by that love from above
Settling now on you by the Holy Dove
Amen!
