---

There's a new and fresh wind coming from above  
All because of My amazing grace and My sweet love  
I've heard the cries, I've seen the tears and I've felt the pain  
Therefore I'm bringing showers of My latter rain  
It will wash it all totally away  
Not to come back, but away to stay  
For it is in freedom that I have chosen you  
And made you My own  
Therefore in this earth My Son was sown  
As a seed to bring forth a harvest of people like you  
So that people can stand and say,  
'The greater works of Christ is for me to do'  
No past that you can look back to  
For you will stand up and say, 'I'm here  
I'm the man and woman of God  
Come on, I can do  
I can do even more because this is a better day  
And this is a better hour  
Because I now know I'm clothed with the Holy Ghost  
I'm filled with His awesome power'  
So stand up child of God  
Rise up like an edifice – a mighty tower  
You can do these things  
It is for you in this awesome day  
Come on, I did say I am the truth, I am the life and I am the way  
No need to struggle how to get in to My holy place  
You will understand through faith it's by My grace  
So just take it in this day, as you can feel and experience the rain  
That will put you in a place of no more crying, no more sorrow, no more pain  
Amen!
