

# Prophecy

13 September 2011

---

I pray we will perform the unknown  
Know, that though we are unknown  
People are going to know about us  
That we are the people that are shaking this continent  
And shaking our nation and shaking this world  
With supernatural signs, wonders and miracles  
Defeat is not our portion  
Opposition crumble  
Resistance go  
Undermining stop  
And there is favour with God and favour with man  
There's a supernatural, fresh anointing of the Holy Ghost  
Coming into the house, falling on people right here today  
Father, You clothed them with Your power  
You give them Your might  
*'They are going to see that the power is from Me',*  
Saith the Lord Most High  
And God tells the truth – He cannot lie  
So get ready Church of the Lord Jesus Christ  
Prepare your heart  
Because now a brand new thing will start  
You will step into it today  
You're going to know wherever you will go  
You will shine the light  
I'm taking you out of darkness  
And I'm putting you into the glory  
And people will know, this is a brand new story  
Of people coming forth in power  
Church, arise this is your hour  
Where God will clothe you with His might and His power  
So speak your dream and God says,  
*'You will see it come to pass*  
*And forever it shall last*  
*Nobody will hinder it and nobody will stop it*  
*Because this thing is from Me'*  
So give God a victory shout  
As from the past He's leading you out  
A new thing will start right now in Jesus Name!
