

Prophecy

28 September 2011

It's time for the Church to arise
And realise you can stand in the full size
Of the maturity that is found in Christ alone
Where you know, you are flesh of His flesh and bone of His bone
You don't have to look around
Trying to find out if grace will still abound
But you can just step into that glory
And know that you are writing a brand new story
Of the Church that's busy coming to its full maturity
Knowing that by the Spirit you have full liberty
To be the Christ in the earth today
Open your mouth and say
What the Lord has to say
And see the power of God moving in you
Because He said, *'The greater works you will also do'*
So, Church of Jesus Christ it's time to arise
It's time to realise who you are
Come on, take your place
Come on, you can get it right from the glory of His face
And you can know it's all by amazing grace
It's time for the Church to get ready and move
Don't sit around, don't look around
But it's time to rise and shout
Because God is leading you out
Out of prison houses in this day
Come on Church, open your mouth and say
What the Lord wants you to say
The glory of the Lord is here
The glory of the Lord is here
It is truly not near, it is here
Yeah!
